

Thank you for your interest in becoming a sponsor of the Potomac Village Farmers Market. Every sponsorship dollar received goes directly towards supporting our Double Coupon program. This program strives to make fresh farm food more affordable to individuals receiving government assistance food coupons by doubling the value of coupons received. A \$5 coupon gives the recipient \$10 of purchasing power at the farm stand.

Your sponsorship entitles you to participate once a month at the market. Please contact the Market Master to schedule your days. Your company logo and contact information will be included in our PVFM weekly newsletter and we will advertise your market Sponsorship on PVFM's Facebook page during the 2018 market season. Your check must be received prior to starting at the market.

Upon receipt of the completed sponsorship information sheet, we'll reach out to you to schedule your market days.

Again, we thank you for your support of our sponsorship program and look forward to seeing you at PVFM.
